

Deerness Valley Nursery Travel Pledge

We actively encourage our pupils and staff to walk, scoot or cycle to nursery as they:

- keep us fit and healthy
- help our pupils develop road safety skills which will keep them safe as they travel further afield and more independently
- help keep our local air clean, and our streets free from congestion
- are life skills that everyone should be able to benefit from

As part of this healthy community we invite you to join us in our pledge to:

Walk or cycle to and from nursery whenever we can ...to help our children learn valuable life skills

Walk on Wednesdays whenever possible ...to join in the fun

'Park and Walk' if we need to use our car ...to help build exercise into everyday routines

Park safely and with consideration for local residents ...to help us maintain happy relationships with our neighbours

Keep the end of the nursery road clear ...to reduce congestion in the road outside the nursery and keep it safe for pedestrians
